

# COVID-19 Safety Measures taken by HUIC

## Display of Awareness Posters

HUIC took initiative of displaying awareness posters regarding COVID-19 all over the campus, to promote awareness regarding safety measures for COVID-19 among HUIC faculty, staff and visitors including;

- Do not shake hands
- Keep distance
- Regularly wash hands
- Use of sanitizer

## Temperature Screening at Entrance

HUIC purchased special equipment such as Infrared thermometers to screen the temperature of all individuals entering the premises. Record of their temperature is also entered in the temperature log book.

## Availability of Hand Sanitizers

HUIC also arranged wall embedded / fixed sanitizers throughout the campus to be available for everyone to stay safe from this fatal virus.

## Restricting Visitors

Restricting visitors is also one of the initiative taken by HUIC, to avoid unnecessary visits. Most of the queries are entertained online and through phone calls.

## COVID-19 Safety Measures Video

A video based on safety measures for COVID-19 has been prepared and displayed on LEDs in the campus. The video is also uploaded on the website and sent to all working offices

Student Affairs wish all the faculty, staff, students and their families to stay safe and healthy from COVID-19 during this time.
