MESSAGE FROM DIRECTOR GENERAL, HUIC

Co-curricular and extracurricular enrichment is central to the educational experience offered to students at Hamdard University Islamabad Campus, and a core component of the university mission and vision. At Hamdard University, we recognize the importance of the global dimension and the need to prepare our students with various competency skills to take their place in an ever-changing global economy. It is a place where we have committed ourselves to the vision of raising achievement, raising aspirations and enriching partnerships. We highly encourage our students to participate in various activities which serves as an exceptional way to build life-long skills such as communication, leadership, decision-making, and organization.

To achieve these objectives, Hamdard University Islamabad Campus had taken an initiative of organizing Hakim Said Olympiad. Since the year 2018, Hakim Said Olympiad is being organized annually for promoting leadership and team building skills among students as well as faculty. I would like to congratulate organizers of this Olympiad for this brilliant initiative for promoting extra-curricular activities at undergraduate and postgraduate level. My sincere hope is that HUIC student affairs committee will be successful in achieving the goals and mission of this Olympiad in the subsequent years also.
MESSAGE FROM CONVENER, STUDENT AFFAIRS, HUIC

Student Affairs committee at HUIC consists of a dedicated team of individuals who connect, support, educate, empower, and engage our students in life outside-of-the-classroom. In support of the mission and vision of the University, we provide opportunities and experiences that are essential to students’ overall university experience. We are committed to serving students and take pride in our common goal of student success. We support the mission of the University by engaging students in becoming active contributors in an evolving global and technological society.

To ensure the fulfillment of the objective of enhanced student’s participation in extracurricular activities, this year Hakim Said Olympiad is comprised of 81 events among which 25 events are for faculty and 56 events have been organized for students. The extra-curricular activities include a combination of literary events, skill events, outdoor and indoor games and dramatics and singing events. The Olympiad provides students with a variety of educational and leadership opportunities, and we encourage all students to take advantage of these meaningful opportunities.
